

DEALER STAMP

Why choose a Peugeot Dealership?

- **Technical expertise:** all Peugeot Technicians are highly trained and regularly reassessed
- **The best equipment:** Peugeot Technicians have access to the latest specialist tools and diagnostic equipment specifically designed for working with Peugeots
- **Resale value:** a full manufacturer's service and repair history may maximise the resale value of your Peugeot
- **Peugeot parts:** Peugeot Technicians use parts made specifically for Peugeots, which are designed and manufactured to our exacting standards

WIPER BLADES

REPLACE ANNUALLY TO KEEP
YOUR WINDSCREEN CLEAR

Wiper blades are an important safety feature of your vehicle, as they ensure good visibility.

Why change your wiper blades?

Many road traffic accidents are related to poor visibility, with defective wiper blades a common cause. In addition, having ineffective wiper blades can cause your vehicle to fail an MOT inspection.

When wiper blades become rough with an uneven surface, they begin to spread accumulated dust and dirt on the windscreen. This extra soiling can reduce visibility further. If wiper blades are very badly deteriorated, they can even scratch the windscreen.

When should you replace your wiper blades?

- If you find streaks or smears on your windscreen after using your wipers

- If the blades jerk or are noisy when used

- If some areas of the windscreen are not being wiped correctly

- If the wiper rubber is cracked or worn, or if the blade's frame touches the windscreen

Peugeot Recommends:

To ensure maximum visibility we recommend that you get your wiper blades checked annually and replaced if necessary.

You should also ensure that a good quality screen wash additive is used. This will not only reduce the risk of freezing in cold weather, but will also help keep your windscreen clear all year round, improving visibility.

We recommend that you have your wiper blades replaced at an authorised Peugeot Dealer using our approved Peugeot parts. Please speak to one of our Customer Advisers for more information.
